Summary Care Records are electronic records that contain information about the medication you take, allergies you suffer from and any bad reactions to medicines you may have had. Having this information stored in one place makes it easier for healthcare providers to treat you in an emergency, or when your GP Practice is closed. More information regarding Summary Care Records can be found online at www.nhscarecords.nhs.net

Please indicate your preference for this by ticking one of the boxes:

Express consent for medication, allergies and adverse reactions only	<input type="checkbox"/>
Express dissent – you do not wish to have a Summary Care Record	<input type="checkbox"/>
